

If you touch something, clean it!

Please use disinfectant wipes to clean the following surfaces after you touch them:

Chairs, couches and tables

Outer surface of microwave and fridge

Doorknobs

Counters, taps and sinks

Lockers

If this room needs more disinfectant wipes, or if you have concerns about your ability to practice physical distancing in this space, please contact your Patient Care Manager or Supervisor.

Remember to clean your hands often, wear your mask if you are not eating or drinking, and stay 6 feet/2 metres away from others.
